The 2018 Winter Waltz was held on the 28<sup>th</sup> August. Residents enjoyed live music from Adam Penn who entertained us with waltzing music and dancing. The Lounge was decorated with wonderful Blue Ribbons everywhere, which were juxtaposed with white pompoms. Braemar Village had evening dressers hanging up around the walls, while everyone was encouraged to dress up and put on their dancing shoes. We had volunteers assisting with dancing and serving the treats Cater care served us.

## International Recognition for Braemar

Braemar Presbyterian Care is proud to have been recognised as a finalist in the Ragan International Healthcare PR & Marketing Awards. The organisation has been singled out for its work to connect seniors with vital Aged Care services in Perth's southern suburb of Willagee.

Braemar's Chief Executive, Wayne Belcher, says Braemar is proud to be acknowledged by the Ragan awards, as it highlights the importance of clear and engaging communication in facilitating easy access to Aged Care services.

"Becoming a finalist in the Ragan International awards is very exciting for our entire team as it's an acknowledgement of the vital and life-improving work being carried out at Braemar," he said.

"We are undertaking a number of new projects which reflect Braemar's commitment to high quality care and friendship. This includes the opening of a new memory support service at Braemar Village in Willagee to support people living with Dementia. We remain committed to informing our community about Braemar's unique care and friendship approach," he says.
