# Customer Feedback Forms

We are committed to continually improving our services. Your feedback is one of several ways we collect information to enable us to identify areas that require our attention and prioritise our actions.

Remember you and your family can provide us with feedback at any time by completing one of the customer feedback forms found at your facility.

Once you have completed this form please place it in the locked suggestion box within the facility. If you require assistance, a staff member will be happy to assist you.

## Lost and Found

Living in a community, one is bound to misplace their personal effects from time to time. Items commonly lost include: Reading glasses, hearing aids, dentures, clothing items, jewellery, sunglasses.

Braemar House has set aside a lost property linen rack (situated on ground floor outside lifts/ before the Lee House entrance). We also have a lost property box in the facility located at Reception. Residents, their representatives, visitors and staff are welcome to search for any lost property items held in either of these places. Please speak to Reception.

### The spring menu is out.

A reminder that spring is here, and the new spring menu is out. Our chef Richard with his catering team have been working hard to ensure we have great meals. A sincere thank you to all residents and families for their suggestions, feedback and input on the winter menu and the new spring menu. The catering team continues to welcome any feedback regarding food at Braemar House.

## Jesus is the Reason for the Season

*He Came unto His own and His own did not receive Him.... John 1:11*

You might well ask me why you are drawing attention to the Saviour's Birth in November. Surely you have to wait till December before you celebrate His birth? Well I might ask the supermarkets and stores the same question, which even in October were well stocked with mince pies, Christmas cakes, puddings and a million and one advertisements telling us what presents are suitable for our families and friends. However let's not be naïve for we know this continued commercialisation is absolutely nothing to do with the birth of the Messiah, the Lord Jesus.

His birth in a feeding trough and the murderous intents of King Herod point to an early demonstration of His rejection. From the Cradle to the Cross this continued for the One who was described as a "Suffering Servant"

However the verse continues: "to those who received Him He gave them the right to become children of God" (John 1:12)

To those who look beyond all the gloss and tinsel of this season and have gladly received the greatest of gifts, they rejoice in the forgiveness and mercy found in the Crucified and Risen Christ. I pray that this will be your experience also this Christmas and you will make Him the Reason for the Season.

# Resident Focus: Meet Ian!

Ian was born in Claremont and grew up in Swanbourne, Perth. Ian married Sandra and they had 2 children, a daughter and a son.

Growing up, he was involved in rowing and did it nearly all his life, and loves to socialise.

Ian began to work in the wool industry, starting at Noonkanbar Station and worked with shearing teams in the Kimberley.

Ian first worked as a wool classer, then a wool buyer in Fremantle. He also worked on a family farm down south, growing table grapes and Shiraz grapes as well as owning sheep and cows. He later ran a wool processing plant before he retired.

Ian is an excellent gardener and his favourite thing to do at Braemar House is to spend time outside in the fresh air. He always looks forward to seeing his lovely wife Sandra. Ian also enjoys socialising with many of the residents here.

He is an avid West Coast Eagles supporter and has always been interested in sport. His favourite thing to eat is seafood – prawns, crayfish and crabs. Ian and Ken (his cousin who also lives at Braemar House) used to catch crabs off the Claremont jetty and sold them at the pub for pocket money.
