Books and Magazines at Braemar House

Every Friday, our residents have a new activity to enjoy more options of reading! We our wonderful group of volunteers we are offering book and magazines to the residents in their room every Friday from 1pm to 2.30pm. Residents can choose a variety of option and they can keep the material as longer as they need. We are asking donations for novels in large print to our Braemar community, please if you would like to contribute, see one our Therapy Staff at The House.

Customer Feedback Forms

We are committed to continually improving our services. Your feedback is one of several ways we collect information to enable us to identify areas that require our attention and prioritise our actions.

Remember you and your family can provide us with feedback at any time by completing one of the customer feedback forms found at your facility.

Once you have completed this form please place it in the locked suggestion box within the facility. If you require assistance, a staff member will be happy to assist you.

Lost and Found

Living in a community, one is bound to misplace their personal effects from time to time. Items commonly lost include: Reading glasses, hearing aids, dentures, clothing items, jewellery, sunglasses.

Braemar House has set aside a lost property linen rack (situated on ground floor outside lifts/ before the Lee House entrance). We also have a lost property box in the facility located at Reception. Residents, their representatives, visitors and staff are welcome to search for any lost property items held in either of these places. Please speak to Reception.

Summer is here!

As the weather is getting warmer, we have to find ways of looking after ourselves. All are encouraged to keep up with a good fluid intake. Braemar House has some portable drinking bottles for residents to carry along when going out.

Drinking stations are located all over the facilities, help yourself to a cool drink. The catering and care team are willing to help any resident with specialised drinking needs. e.g thickened fluids.

And don't forget to wear your sunscreen and hat when going out. Please see the therapy staff or nurse for any these items. We are here for you.

Pet visit brings happiness and joy!

We had a great time with our adorable pet visit by Lilly the Chihuahua. A small dog brought big smiles to our residents in the bocce group.

Lilly went around visiting many residents who were spending time in their room.

Lilly belongs to Amelia Krumholetski the Executive Assistant of Braemar's CEO, who in her own time took an hour to visit us at Braemar House. Residents cannot wait to have Lily back to visit again soon.

“A Man of sorrows acquainted with grief” Isaiah 53:3

The above passage was prophesied by Isaiah concerning the Messiah that was to come, some 700 years before He came. This was of course the Lord Jesus Christ.

How easy it would have been for Him to remain aloof from the suffering of others, to escape to an ivory tower and see people by appointment only. The record shows that the leper, blind, the deaf, dumb, sick and dying were all ministered too. They heard His Voice: *“Come unto me all you that labour and are heavy laden and I will give you rest”*

Our residents have lost loved ones, property, pets and independence and many private tears are shed over these losses. The Man of Sorrows is our greatest Comforter. One who was nailed to the cross experienced grief and loss more than any, separated from God the Father and human help.

On our doors we proclaim, *‘the Love of Christ compels us.’* May this be our motivation as we take time with our residents and each other to hear of their grief and loss and look to the Man of Sorrows?

Team Focus: Our Leadership

Wayne Belcher OAM: Chief Executive

Wayne Belcher is passionate about the Aged Care industry and is an experienced Chief Executive in the sector.

Having entered aged care early in his career, Wayne has held roles including Chief Executive of Bethanie as well as Director and Interim Chief Executive of Baptistcare WA.
