Village Resident Survey:

It is important to Braemar Presbyterian Care that we understand how best we can meet your needs and how well we are providing services to you.

To continually improve our services and to support you to express your individual needs and preferences, we invite you complete the following **satisfaction survey**:

<https://www.surveymonkey.com/r/BraemarVillage>

IPads will be available at reception from noon on Wednesday 5th for you to use to complete this survey. Alternatively, paper versions are available at reception for you to complete and return.

The survey will take **approximately 5 minutes** to complete and will close at **5pm on Tuesday 18th June**.

Your responses are anonymous, unless you wish to provide your personal details at the end of the survey.

Recent Village Highlights:

In May we hosted a pamper day for the ladies in the days leading up to Mother's Day. The ladies enjoyed getting manicures done and also enjoyed some time relaxing while we had the foot spa's on. There are pictures on the back page of these events.

The ladies were so relaxed after the morning they had and they would reminisce about what they used to do on Mother's Day when they were younger.

We also had a Mother's Day afternoon tea with entertainment from Ray Martin. The residents enjoyed afternoon tea while singing along to some of their favourite songs and residents were thanking staff for the lovely day that they had.

The rest of May was filled with some really good entertainment at Happy Hours and at the Resident's Monthly birthday party, which everyone always enjoys.

Coming Up in June:

We are starting off winter with a Wine and Cheese afternoon hosted by Cater Care. This will take place on Tuesday the 4th of June in the Activity Lounge.

There will be cheese platters made and also a fruit platter to pair with a few wine choices. We will also have an entertainer so that the residents can sit back and enjoy their afternoon of wine and cheese and singing along.

Another exciting activity for June is the project that Living Eggs is providing for us.

This will be a 10 day program where we receive chicken eggs that we get to see hatch and then also get to place them in the brooder box before they get picked up again.

They will only be here for a short time, so please feel free to come and say hello to them and also watch them hatch!

Resuming on the 13th of June, Cedric who comes and entertains us every fortnight on a Thursday will return from holiday, and we look forward to his return.

For our social lunches held every Tuesday in the Activity room we have started to come up with different topics to talk about at these lunches each week; with great participation from all of the residents who attend.

Residents are very happy with sharing their stories and really getting to know one another. They are also very interested in fellow resident's stories and enjoy reminiscing about the good old days.
