#### Braemar Recognised

Braemar Presbyterian Care has been recognised for its commitment to the aged and community care sector after being awarded a high commendation in the Innovation in Service and Design category at this year's Aged and Community Services Australia (ACSA) Aged Care Awards.

West Australians are increasingly utilising digital channels to research aged care options, and our team has worked hard to provide **virtual tours** at The Village, Cooina and the House, which can all now be visited online, with internet users able to gain a complete 360 degree view of each home.

#### Care Page Now Available

We are excited to launch a new feedback service available at the Village.

You can submit your feedback electronically using the Care Page electronic terminal found at reception.

This touch screen terminal asks a series of questions so we can ascertain the quality of your experience at Braemar.

If you prefer other feedback methods, we continue to welcome paper feedback forms, as well as verbal feedback. Our facility manager is always happy to discuss any questions, comments or suggestions you have.

# celebrating July

**Above:** lasting friendships made during the Bocce competition.

## REFLECTIONS

July was a jam packed month full of fun activities that all residents alike enjoyed very much. Starting off the month with a lovely happy hour with entertainment by Paul Robinson, residents enjoyed Paul’s performance and had a great time with fellow residents.

On Tuesday, the 16<sup>th</sup> of July we had the Winter Wonderland Lunch. With a delicious lunch served by Cater Care. It was a great outcome with many residents attending and making it a very successful lunch. Residents enjoyed background music by Adam Penn while having lunch. The Activity Lounge was decorated to fit the theme which everyone loved.

The very next day on Wednesday the 17<sup>th</sup> of July the Village hosted a Joint Bocce Competition between the Village residents who versed the residents from the House.

All residents who attended the game enjoyed an afternoon versing their fellow residents in a good game of Bocce followed by afternoon tea where the winning team was announced and prizes were handed out.

The residents from the House took home the trophies as they were the winners of the game. Village residents said that it was a great competition and that the other players were really strong players.

It was also a great opportunity for the residents to meet other residents and to form lasting friendships. Residents also said it was all in good fun and would like to have the competition again!

We wound down the busy month with a Happy Hour and Birthday Party with entertainment by Neil Simpson who had all the residents clapping their hands and singing along to some of their favourite tunes while enjoying yummy birthday cake.
