#### Braemar Finalists

Braemar Presbyterian Care's Virtual Tours have been selected as a finalist in the 2019 national Australian Marketing Institute Awards.

Chief Financial Officer of Braemar Presbyterian Care, Kristy Ryan, says becoming a finalist in the AMI awards for the second year running was a real achievement for the Braemar team. "Our entire team is thrilled to have been notified that we are a finalist in these awards. We feel it is important to offer the community a digital method to explore our aged care facilities, as when residential aged care is needed it is often a stressful time for both residents and families," Ms Ryan said.

#### Care Page Reminder

Thank you to everyone who has used our new Care Page terminal at Braemar Village. You can submit your feedback electronically using the Care Page electronic terminal found at reception near the main entry.

The touch screen terminal asks a series of questions so we can ascertain the quality of your experience at Braemar.

If you prefer other feedback methods, we continue to welcome paper feedback forms, as well as verbal feedback. Our team are always happy to discuss any questions, comments or suggestions you have.

**DISCLAIMER:** While every care is taken to ensure activities continue as scheduled in this newsletter, due to circumstances beyond our control they may be subject to change. If in doubt, please ask your care staff.

Braemar Village is accredited to June 2022.

# History Enrichment

Entertaining talk from published maritime history author

The highlight for the month of September includes the Presentation of the **Photographic History of the Orient Line** by Chris Frame. All residents and families are welcome to attend this event. This will be held in the Activity Lounge on the 18<sup>th</sup> of September at 2pm with afternoon tea served during the presentation. Families are welcome to attend.

## PRIVACY REMINDER

Due to privacy considerations we regret being unable to publish names of recently deceased residents in these newsletters. However, reflection services are held for each resident. For details, please speak to your care team.

## ORIENT LINE TALK

Established in the age of sail powered clipper ships, the Orient Line became a vital link between the new Australian nation and the United Kingdom of Great Britain and Northern Ireland.

The line went on to build some of the most famous ships on the Australian run, including the Orsova, Ocades, Orion and Oriana.

## OUTDOOR EVENTS

With the weather slowly getting warmer this month is perfect for us to start getting outdoors.

With this we thought it would be great to host a **morning tea** for the Ladies in the upstairs courtyard (weather permitting) in days where the weather isn't that good it will be held in the Tea Tree upstairs lounge room.

We would like to start off by hosting this event every fortnight, so on Wednesday the 11<sup>th</sup> of September and the 25<sup>th</sup> of September we will host a morning tea – a perfect opportunity for the ladies to join in and socialise with one another over a hot cup of tea and the sunshine.

## DARRYN DODD ENTERTAINMENT

Another highlight this month; we welcome entertainer Darryn Dodd as he joins us for one of our **Happy Hours** on Monday the 9<sup>th</sup> of September.

Darryn will host a music session for us with instruments so all residents can join in the fun!

Please note that on this day Happy Hour will start at 2:30pm instead of its usual 1:30pm start, but we look forward to seeing everyone there to join in on the fun!

## SCOTCH COLLEGE

On Friday the 20<sup>th</sup> of September we host the **Scotch College** boys for their last Friday with us for this year. The boys are taking a break to focus on their studies, before they return again next year.

Please join us for a fun game of **Bocce with the Boys** followed by afternoon tea.

Have you seen Virtual Tours at [braemarcare.com.au](http://braemarcare.com.au) These tours allow you to take a walk though each facility. Great to share with family and friends.

# celebrating August

## REFLECTIONS OF AUGUST

August was a month filled with fun activities starting off with the **Under The Sea** themed Lunch. This Lunch was held on the 6<sup>th</sup> of August in the Activity Lounge and most residents attended.

Carer Care served us a beautiful lunch with a special menu for the day mostly consisting of fish to fit the theme. All the residents that attended said that they had a wonderful time and thought the lunch was fantastic and the decorations in the Activity Lounge looked wonderful!

On Friday the 9<sup>th</sup> of August, the Village hosted the **Scotch College Pope Band**. This was also held in the Activity Lounge which made it the perfect place for the bag pipes and drums to echo throughout the facility.

Staff, visitors and residents all listened to the band perform and thought it was absolutely brilliant.

The boys stayed for a while afterward to chat to the residents and joined us for afternoon tea.

The afternoon was enjoyed by all that attended.
