Remembrance Day

On 11 November 1918, the guns of the Western Front fell silent after four years of continuous warfare. With their armies retreating and close to collapse, German leaders signed an Armistice, bringing to an end the First World War. From the summer of 1918, the five divisions of the Australian Corps had been at the forefront of the allied advance to victory. (Words from Australian War Memorial)

On the 11th of November at 10:30AM we welcome residents and families to come together to remember the members of the armed forces who have died and served in the line of duty.

New Program

Braemar House is pleased to announce a new program that will begin this month and will run once a month. It's called the Creative Connections Art Program. This is an art based group designed to provide residents and their relatives with an opportunity to engage in a meaningful activity that enhances their social participation, self-expression and creativity.

This month we will be using water colours and water colour paper to paint some beautiful leaves which will then be collaged and framed and put up on display.

Privacy Reminder

Due to privacy considerations we regret being unable to publish names of recently deceased residents in these newsletters.

However, reflection services are held for each resident. For details, please speak to your care team.

OCTOBER FUN

On the 16th of October, some of the residents went on the Bus Trip. We went to Lake Monger in Wembley. On the way to the Lake, staff read about the history of Lake Monger which provided a lot of conversation between staff and residents.

Residents were able to recount what the lake used to be like and reminisce and share their stories with one another.

Once we got to the lake, residents got off the bus and enjoyed a nice cup of tea/coffee and sandwiches while overlooking the lake.

We had ducks swimming nice and close to where we were all seated and residents enjoyed watching them.

Despite it being a little bit windy, we all had a lovely time.

LOUD SHIRT FUNDRAISER

On the 17th of October, we held a fundraiser afternoon tea for Loud Shirt Day in Livingston Room.

Loud Shirt Day is a fundraiser run by Telethon which raises funds and awareness for deaf children. Funds raised go towards giving the gift of sound and speech to deaf children.

Staff and residents were encouraged to wear their brightest & loudest shirt. It was lovely to see staff and residents dress up to support this cause. A lot of smiles and laughs were had on this day and some of the staff dressed up very bright and colourful and looked very funny in their crazy Hawaiian shirts and bright stripy socks!

We had family members attend this event and they also came dressed in their bright shirts. It was nice to have so much support.
